

SCOUT SESSION PLAN 4

Badge: My Faith

Duration: 2-3 Hours

Warm up: To warm up for this session, Scouts can play a game of Thunderball. This is where they stand in a circle, legs shoulder-width apart, and must use their hands to roll the ball across the centre of the circle, ensuring it stays in. If the ball passes through their legs, they're out.

1. Take an active part in your place of worship.

You could get involved in community work, take a special part in services or celebrations or follow a training or study programme.

This can be based on the convenience of what is around you, or dependent on the time/season of the year.

2. Find out more about the origins of your faith.

Share what you find out with others in the Troop. This can be in the form of a poster, a presentation or interactive story time.

3. Explore something about the history of your faith at a local, national or international level.

You could learn about influential people, or visit a shrine or other holy place. This can be in a session of its own.

Explain to an adult some of the teachings of your faith.

Explain how these affect the way you live your life.
